OKLAHOMA FLOODPLAIN MANAGERS ASSOCIATION

OFMA, Inc. was established in 1990
with the objective of promoting
interest in flood abatement.

For more information: 918-669-4919

OFMA, Inc. is:

- The first nationally accredited certification for floodplain managers (CFM)
- Chapter Member of the ASFPM, Inc. (Madison, Wisconsin)
- 501(c)(3) nonprofit status
- Over 240 members strong
- Spring and Fall workshops-continuing education credits earned
- Supported first State flood mitigation law, the establishment of the first State Flood Hazard Mitigation Revolving Fund & strong supporters for allowing floodplain boards to set permitting fees
- Publisher of "*The B.F.E.*" (Association Newsletter)
- Accessible on the web at www.okflood.org

Oklahoma Floodplain Managers Association

VISION

FLOODPLAINS ARE FOR FLOODWATERS, HABITAT, WATER QUALITY ENHANCEMENT AND RECREATION.

MISSION

We encourage and support, with our partners, flood safe development and flood mitigation. We promote sound floodplain management practices & the natural and cultural benefits of the floodplain. We support the floodplain management profession through education and certification.

Saving lives & reducing property loss from floods are the ultimate goals of OFMA, Inc.

WITH ALL YOUR POWER

WHAT WOULD YOU DO?

We'd continue to help
communities in
Oklahoma grow.

We are introducing new products and services that will help our customers manage electricity more efficiently. We're proud of Oklahoma and proud of our partnerships in the communities we serve.

An enduring commitment to Oklahoma's progress

Science Applications International Corporation (SAIC) is proud to continue a 100 year legacy of serving the engineering, architecture and environmental needs of the state of Oklahoma, its communities and utilities. In 2007, **SAIC acquired The Benham Companies**, a pioneer in the development of Oklahoma's infrastructure since statehood.

Our unified team of professionals offers a broad range of services and products to address our customers' most complex and critical transportation, infrastructure and technology-related needs.

SAIC is committed to performing excellent work while making significant and lasting improvements to our communities and our environment.

BlueEnergyFuels^{CNG}

Blue Energy Fuels is your single source for efficient, cost-saving, environmentally friendly vehicle fueling, with clean burning, Oklahoma produced compressed natural gas.

Blue Energy Fuels serves cities, schools, government agencies and private industry fleets. We also build and operate CNG fueling stations through public/private partnerships and commercial CNG fueling stations.

Blue Energy Fuels - working for you, for a better, cleaner, cost-effective future.

Blue Energy Fuels is CNG.
